Subject: DSA Detection Consumables

Wayne,

In response to your letter dated August 30, 2006 concerning the purchasing of the DSA consumables and in accordance with SOW paragraph 4.1.2.2 introduced in CONMOD P00024 Siemens is authorized to begin a trial of using the DSA consumables for Preventative Maintenance. Based on the Certificates of Conformance and the TSA TSL evaluation the subject consumables they appear suitable for use. At such time that any problems/issues are discovered Siemens must provide notification to TSA reporting the problem/issue and any recommendations. This authorization does not constitute any change in contractual requirements.
